US DISTRICT COURT
MID-DIST TENN

I the Defendant Homero Navarro Pro Se Defendant have previously filed a motion to reduce sentence pursuant to 603(b) of the first step Act of 2018, pub. L. No 115-391, § 404, 132 Stat. 5194, 5220 of 2018, pub. L. No 115-391 "FSA" or Act which amended 18 U.S.C. (3582) (e) expanding the circumstances under which federal prison inmates may seek compassionate release.

I, Homero Navarro have recorded with B.O.P. High Blood pressure, liver problems, and diabetes, due to the severe outbreak of COVID-19 outbreak with officers & hundreds of severely sick inmates, here at F.C.I. OAKdale, La as I'm sure this court can see on television how bad it really is here under the circumstances I ask this court to see myself going to be released not too far in the distant future. I ask this court to take into consideration the seriousness of the circumstances here at F.C.I. OAKdale Louisiana and consider releasing me to I.C.E. so I may go back to my country in Mexico. and see Section 3582 (c)(1) permits a sentencing court to reduce a term of imprisonment if it finds that extraordinary and compelling reasons warrant such a reduction. Thank you for your time.
